

Northern Colorado Observances of the 29th Annual

International Hour For Peace

Wednesday, December 31st, 2014, 4:45 to 6:15 a.m.

(That's Noon Greenwich Time and for us, really early Wednesday morning!)

"We Are Peace."

**Join area residents
and millions of
people all over
the planet to create
inner peace and
world peace
for 2015.**

**All peacemakers
and
all paths to peace,
sacred and secular,
are welcome
and honored.**

**Community events include the John Randolph Price World Healing Meditation,
along with music, prayers, speakers, and information from
a wide variety of local faith, humanitarian, and peace groups.**

Also known as World Healing Day and World Peace Day, the Hour For Peace is a global effort launched in 1986 by John Randolph Price and the Quartus Foundation to offer people all over the world an opportunity to gather together for peace, love, understanding, and forgiveness through a simultaneous global mind-link at noon Greenwich Mean Time on December 31st of each year. Based on the Quantum Physics principle that thought can direct energy and thus create reality, the event is designed to synchronistically join millions of minds around the world in prayer, meditation, music, readings, dialogue, and other ways to focus on and manifest lasting peace on Earth.

***We are Love. We are One.
We are how we treat each other
when the day is done.
We are Peace. We are War.
We are how we treat each other
and nothing more.***
